Medical Certificate

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows:—

Certified that I have carefully examined Naik Mohideen Khan son of Bundankhan, a Naik [illegible] in the 8th Company 1st Battalion

His age is, by his own statement, 52 years, and, by appearance, about 55 years.

I consider him to be completely and permanently incapacitated for further service ~~of any kind~~ (or in the Department to which he belongs,) in consequence of Night-blindness & occasional attacks of Epilepsy

His incapacity does not appear ~~to me~~ to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permaneut, the certificate should be modified accordingly and the following addition should be made:—)

of opinion that

is fit for further service of a less laborious character than that which he has been doing, (or may after resting for months, be fit for further service of a less laborious character than that which he has been doing.)
